SECTION ... FILE NO. ... SERIAL NO. ...

Subject - Remission of Toddy Revenue due by Thimmia for Hikehally Circle Farm No XVI of two shops, Challakere Taluk - for Rs 73/13/6 with interest to date.

Reference - Excise Commrs No 688/66 dt 5-2-95

1. The farm was sold for Rs 48/14/- for (15 months) 93-94 for Rs 733-2-0.

2. The file is incomplete. -

3. From the Amildar's Notice dated 16/4/94 it is gathered that the default was for Khist due from November 93 to March 94 on 15th April 94 viz Rs 219-15-0

4. The Amildar reported the service of notice to Dy Commr on 8-6-94 & asked for attachment & property which was accorded on 11-6-94. But the sale of the defaulter's property was not effected till 30th June 1895; and that of the surety, till 25-2-95. The total value of the property realized amounted to Rs 156-2-10 -

5 According to para 3 of the sale Notice Rs 50/- should have been deposited before bidding 1/20th of the value of the farm after being knocked down to him. On confirmation of sale 3 months' Khists should have been received & deposited as security. This would amount to Rs 48/14/- x 3 or Rs 146/10/-

6 - The remission Statement exhibits Rs 155-10-6. As the amount of "Deposits and Sale proceeds of movable "and immovable properties credited to "wards arrears". But from the records vide para 4 above, the sum of Rs 156-2-10 was realized while the Deposit (vide para 5 above) should have amounted to Rs 146/10/-

£s 229-8-0 there is nothing requiring remission if the Rolls had been enforced.

7. The file should therefore be returned for explanation and resubmission complete, with a full report of the action taken from the outset and why the farm was not resold when the 1st default occurred, and the cause for the long delay in subsequent actions taken in this case.

There is no object to be gained by keeping the papers back for further explanation. The deficit seems to have been taken in payments till 1st instalment for April, May & June. The arrears are due for the previous months. The record shows that the occupier of the defaulted 1st Rent perched No 156-2-10 (not 155-10-6 as erroneously mentioned in the Memorandum Statement & other papers). The balance of £73-5-2 with Rent Years

than to the residue of the accounts in the record clearly shows that neither the defaults nor the surety is in respect of any other moneys. The respondents have been shown that the Registrar will not file the declaration required by the rules authorizing a resale as soon as a default is made the local authorities naturally hesitate to give effect to for fear of the result resulting in a suit Court. In this case, the trial proceeded on 73-5-2 with the thereon were taken considered with the observations that
